NATIONAL POLICE COMMISSION  
PHILIPPINE NATIONAL POLICE  
HEALTH SERVICE  
**GENERAL HOSPITAL**  
Camp Crame, Quezon City

January 20, 2012

Ms. Agenette P. Peralta, MSC  
Director IV, CESO III  
Department of Health- Food and Drug Administration  
BHDT

Reference:

The department of surgery, PNP GH, Section of Diabetic Foot and Complex Wound Care would like to have a medical mission at Cagayan De Oro to treat the various wounds incurred by the civilian/population as well as police and their dependents in cooperation with the United States of America Humanitarian Agencies (World Health Organization United States Chamber, United States Red Cross, United States Military Government, etc.).

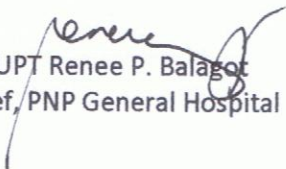

One of the medical devices to be used is the Numobag Kit, manufactured by Numotech, Inc. Numobag Kit is a medical device developed to treat serious wounds. In the Philippines, Numotech Inc appointed Golden Tiger International Corporation as the exclusive distributor of the Numobag.

The department of surgery, PNP GH, Section of Diabetic Foot and Complex Wound Care would like to request a Certificate or a letter to allow us <sup>to</sup> use the Numobag Kit to treat the mass casualties affected at the Cagayan de Oro.
